The causes of the war, devastating statistics and interesting facts are still studied today in classrooms, history books and museums. The beginning and end of the war started with the assassination of the Archduke Franz Ferdinand of Austria. The beginning of the war started with the assassination of the Archduke Franz Ferdinand of Austria. Legendary Hero choices[] Wood Elves players can recruit the following Legendary Heroes when playing a campaign or in custom games. If it dies, the player loses. While in this stance they can ambush or be intercepted, resulting in a Worldroots battle on a special battle map. They do so by conquering adjacent regions and fighting battles against intruding armies. It can be referred to as The Great War, The World War, The War of Nationals and The War to End All Wars. Casualties and Injuries During the four years of combat, 65 million soldiers fought in the battles. The planes allowed explosives to be dropped to the ground. NPCs[] Prophethess Naieth - gives quests and objectives to the player, if they play as the Herald of Ariel. Elven Council[] The Elven Council is a unique campaign mechanic for Talsyn, similar to the Fleet Offices for the Vampire Coast factions. The blood was stored on ice for up to 28 days. Coeddil - one of the 3 eldest ancient treemen who is incredibly vicious and capable of turning the tide of battle singlehandedly. The Wood Elves are a mysterious race of fickle elves and their forest-spirit allies, who dwell in the magical forest of Athel Loren. Technology[] Main article: Wood Elves tech tree Elven god-based technology tree, with two main branches boosting campaign map strategy/economy and battle performance. DLC[] Videos[] Trailer[] Template:Navbar factions me2 Playable factions[] In campaign there are four playable Wood Elf factions, each with its own starting position, and led by separate Legendary Lords. This is done to avoid impassable terrain and enemy forces. Daith - provides improved or temporarily-upgraded items to the player, if they play as the Herald of Ariel. These are contrasted with tanky forest spirits who can absorb damage, but cannot deal much without technological or hero upgrades. In conversation and writing, it is referenced with several other names. Another 21 million were injured and seven million were maimed with missing limbs. Blood banks were first used during the war for necessary transfusions. Post-battle options[] Wood Elves post-battle options for captives are as follows: Kill Captives Release Captives Take On Captives (vs. A machine gun could fire 600 rounds a minute which was considered the equivalent firing of range of more than 150 rifles. Medical Strides and Advancements Medical strides and advancements were a benefit of the war. However like other Elven races, they rely on elite troops - quality over quantity. World War I is often abbreviated as WWI in writing. Although sometimes appearing cruel, in reality they are a neutral power who act only to maintain the balance of their environment. Buildings[] Main article: Wood Elves buildings Which buildings are available differ depending on the type of settlement, as per the Wood Elves settlement system. Elven armies can enter the Use Worldroots stance to use the Worldroots. Plastic surgery was invented following World War I. Start Position[] Both Talsyn and Argwylon start in Athel Loren. Originally did not have any, but they were added in the Foundation Update. The Oak of Ages[] The Oak of Ages is a special settlement which the player starts in control of, for both the main Wood Elves faction or Argwylon. These have access to the full range of Wood Elf buildings and many building slots. Commandments[] The Wood Elves have no commandments. Intel GPU's are not supported at time of release. Total War: Warhammer Factions introduced in The Old World campaign: Torgovann Wydroth Wood Elves Rebels Factions exclusive to The Season of Revelation campaign: Ammyr Arranoc Atylwyth Cavarec Cythral Fyr Darric Modryn Tirsyth Total War: Warhammer II Factions introduced in The Eye of the Vortex campaign: Bowmen of Oseon Factions introduced in The Mortal Empires campaign: Laurelorn Forest Mortal Empires also includes the minor factions from The Old World and The Eye of the Vortex campaigns. These all have a diplomatic positive racial bias towards each other, and use units from the Wood Elves unit roster. This is a critical resource in the first Warhammer game, but it has been lessened in Warhammer II. Settlements labeled Heathlands are critical to raze, capture, or ally with. The Wild Hunt[] The Wild Hunt is a unique event for Talsyn, and is not available for other Wood Elves. Wood Elves require Realm of the Wood Elves to play. All settlements outside of the main settlement are little more than outposts. Wood Elves settlements: Unique settlement system, unaffected by climate or regional occupation. In order to combat Athel Loren's many foes, they have developed elite warriors and can call on the forest itself in its defence. Their military features elite elven units who tend to be only lightly armoured, along with forest spirits such as Dryads and some monsters. Focusing fire on threats (Such as cavalry or enemy ranged units) can mitigate this somewhat. Forest Health: The central mechanic for the Wood Elves, introduced in The Twisted and the Twilight. The war began on July 28, 1914 lasting four years, three months and fourteen days. In addition to this martial strength, beneath the forest floor lie the Worldroots, enabling subterranean travel; Elven armies - led by their perennial King in the Woods, Orion - emerging to surprise and defeat those who encroach upon Athel Loren's glades and boughs unwittingly. Factions[] The Wood Elves are a non-horde race who occupy settlements and control provinces, however they use a special colonization system different to all other races. Recommended: OS: Ubuntu 16.04 or Steam OS 2.0 (64 bit required) Processor: 3.4 GHz Intel Core i7-4770 Memory: 6 GB RAM Graphics: 4GB Nvidia 970 (driver version 367.28), 4GB AMD RX 480 (Mesa 13.0.1 driver compiled using LLVM 3.9) Storage: 35 GB available space Additional Notes: AMD GPU's are not supported on Steam OS. If a legendary lord belongs to a different faction (of the same race), the player may instead confederate that faction to gain access to the legendary lord. These are elite, unique versions of standard Wood Elves units. Forest spirits and dragons provide physical might and firepower to support the elven armies. See the individual lord pages for information on their various bonuses in campaign. The Wood Elves can field no dedicated siege weapons. They have 4 legendary lords, Orion, Durthu, Sisters of Twilight and Drycha. Fast races, such as Bretonnia, or armored races, such as Dwarfs, will be significantly more difficult to handle as a result. The Wood Elves use a totally different settlement system to other races, and are unaffected by regional occupation or climate. Many battles were fought around the world with volunteers and enlisted soldiers. The United States only participating in the war for seven months, but had daunting statistics for casualties and injuries. Wood Elves are playable in campaign, multiplayer and custom battles. All Wood Elf vactions have their own variants of this. Elven Council: Lords can be assigned various roles on the Elven Council, granting different bonuses in campaign. However, their elven infantry and riders are still fragile. It would take another six months before the war would officially end with a negotiated peace treaty five years after the assassination of the archduke. Names The war has been called several different names. Worldroots: Wood Elf armies can use the network of ancient, magical roots to avoid terrain or enemy forces. Many techniques spearheaded the way for facial reconstructive surgery. As of The Total Waaagh! Update, all Wood Elves units have the Woodsman (Attribute) which allows them pass through trees and be unhindered by that terrain type. As a result, you'll need to keep yourself moving away from the enemy, and avoid being surrounded. Climate Preferences[] The Wood Elves have all climates available to them as Suitable, but have a unique settlement system. Deeproots: A coldtown reliant variant of the Worldroots that allows the Wood Elves to travel to magical forests across the map. Wood Elves rely on securing key settlements to provide Amber or support their main settlements. Amber: A special resource which is required to recruit powerful units, and to upgrade the Oak of Ages. Worldroots: Special stance that allows Wood Elf armies to bypass terrain, similar to Underway, Hawk Riders and a Forest Dragon can be seen above. Although incursions are driven back, there are constant threats to the Wood Elves' forest home and way of life. In Battle[] Unit Roster[] Main article: Wood Elves unit roster Missile-focused Elven unit roster with a variety of enchanted arrows and fast-moving cavalry, including stag mounts and flying missile cavalry. Magic[] Wood Elves spellcasters have access to five lores of magic: Regiments of Renown[] Wood Elves have several Regiments of Renown available. The war broke out a month later when Austria-Hungary declared war on Serbia. The fighting ended on Nov. To win the campaign it is necessary to fully upgrade the Oak, and if the Oak is destroyed the player will lose the campaign. Wood Elves have the following playable sub-factions: Talsyn, Argwylon, Herald of Ariel and Wargrove of Woe. Outside of this, they can only construct outposts in Heathlands or vital locations. Wood Elves now fight to maintain and heal their local magical forests, gaining numerous benefits for succeeding. Amber: Unique resource used to recruit units or research faction-specific technologies. Wood Elves units tend to be lightly armoured, even compared to High Elves or Dark Elves. Ariel - the Queen of the Wood Elves and an amazingly powerful caster who can decimate her foes. Amber is obtained through capturing territories or forming diplomatic agreements (usually alliances) with other factions. Players can assign lords to various positions on the council, conferring different bonuses. It was added as part of Realm of the Wood Elves DLC. Chaos Invasion[] Wood Elves remain neutral during a Chaos Invasion. Elves are not just long-limbed, they also live for thousands of years, which naturally makes other races seem trivial and irrelevant; only the preservation of their forest home matters, everything else - the affairs of mere 'mayflies' - is of little importance or consequence to them. In the Campaign[] Orion and Durthu, flanked by Tree Kin, Wild Riders and Glade Guard. Worldroots[] Worldroots are a magical, ancient network of roots from the Oak of Ages, extending across the world. other Wood Elves) Abduct Captives (Mortal Empires only) Settlement options[] Wood Elves have these settlement options when they have captured a settlement: Raze Seeding (creates Asrai Lookout, for settlements outside Athel Loren) Occupy (for magical forest settlements) Followers[] Main article: Wood Elves followers. How they play[] A summary of Wood Elves gameplay; Units: Elite but fragile elf units supported by fast cavalry. Lacking enough Amber causes various economic problems. When facing Wood Elves, Vanguard Deployment and Cavalry can take away their advantage very quickly. This was changed in Total War: Warhammer II, with Amber now being acquired through missions and being used to research technology. Their archers are some of the best in the game. Elven Council: Can promote lords to positions on the Elven Council, conferring various bonuses. Minor factions[] On the campaign map, many minor factions are grouped together as Wood Elves. Forest healing[] In Total War: Warhammer II, Wood Elves can heal magical forests to win the campaign. Some factions have multiple legendary lords available, pick one to start the campaign with and then complete certain objectives to "unlock" his/her faction's other legendary lords for recruitment. He was heir to the throne, but was murdered by a Serbian nationalist. As of Warhammer II the Wood Elves can field armies of forest spirits to tank enemy attacks for them, greatly increasing their faction's overall durability.
